ISSUE 7 | OCTOBER 2025

NEWSLETTER

Welcome to the 7th MacaqueNet newsletter, keeping you up-to-date with the database, current projects, publications & events. Newsletters will be emailed every 6 months.

We want the newsletter to reach beyond data contributors, so please spread the word. New readers can subscribe via the website homepage.

MacaqueNet @ Kolkata

Our **3rd** Weaving the MacaqueNet workshop on **24 Aug 2025** in **Kolkata** was a huge success:

- Over **50** attended in-person and online.
- 4 researchers pitched **projects involving new data types**. Find out about each project here.

During our Members-only **general assembly**, members:

- Expressed interest in making some datasets **open-access.**
- Discussed MacaqueNet's **management workflow**, including requests for new data types. View here.
- You can view the full meeting minutes here.

Bottom: Photo of in-person attendees at the MacaqueNet workshop in Kolkata, India.

Help us map our community

- MacaqueNet has grown to **over 100 members** worldwide!
- Tell us where you are based so we can better reflect our consortium:

MARK YOUR TERRITORY!

Funding Reminder

MacaqueNet belongs to all of us and its continued growth **relies on funding**:

- Remember to **include MacaqueNet** in your grant applications!
- MacaqueNet **letter of support** available.
- **Got ideas** for funding opportunities? Get in Touch:

macaquenet@gmail.com

Approx. 100 *behaviour* attendees came to watch the ***comparative behavioural research*** **symposium** co-organised by Delphine De Moor & Lauren Brent.

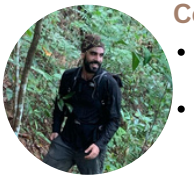
- Jacob Feder, Stotra Chakrabarti, Genevieve Finerty, Natalia Borrego, Krishna Balasubramaniam, Greg Albery, and Harish Kumar shared their expertise on the **importance & challenges of comparative research**.
- A **survey** revealed **strong interest in comparative behaviour** research among attendees.

SHARE YOUR INSIGHTS!

Advisory Board

APPLY HERE!

- MacaqueNet's Advisory Board will help **guide the future of MacaqueNet**: Advise on new projects, provide input on new management directions, step in during conflicts of interest.
- **Applications are still open** if you'd like to join!
- Meet our **current members**:



Cesar Rodriguez del Castillo

- ***PhD student*** *at Instituto de Neuroetología, Universidad Veracruzana. México.*
- *Research focus:* ***behavioural ecology, sociality*** *&* ***conservation.***

Julia Ostner

- ***Prof. of Behavioral Ecology****, University of Göttingen, Germany & German Primate Center.*
- *Research Focus:* ***evolution*** *of* ***social relationships****, sociality across lifespan, social* ***cognition****, behavioural* ***endocrinology & health****.*

Oliver Schülke

- ***Ass. Prof.*** *at University of Göttingen, Germany.*
- *Research focus:* ***Evolution*** *of* ***social relationships****.*

Marine Joly

- ***Prof. of cognitive Ethology****, University of Portsmouth.*
- *Research focus:* ***Executive function, flexibility*** *&* ***spatial decisions****.*
